WE HAVE BEEN CONSTANTLY EVOLVING.

Founded in 1946, the company has gone through the years constantly updating itself to meet the needs of an increasingly market demanding.

Present throughout the country, the company has forged strong relationships and partnerships with retailers, wholesalers, distributors in the construction sector, furniture, door and window industries.

Metalúrgica Rocha, a 100% Brazilian company, briefly presents its wide range of fittings, comprising more than 400 items, from hinges to locks, latches, net hooks, tools and even residential numbers.
